Scoring:

Only one player may score per round but the scoring player will score points for ALL washers closer to the cup than their opponent. The starting player will pitch their two washers followed by their opponent, the idea being to land in the cup if possible and if not - as close as possible.
A washer landing inside the cup, a ***ringer***, scores ***5 points*****.**
A washer hanging over the lip of the cup is called a ***leaner*** and is worth **3 points**.
A washer closest to the cup but outside the cup scores ***1 point.***

If two players pitch a ringer or a leaner, those will cancel each other out and you will score the next closest washer.
